WHEREAS, the United States of America (hereinafter the "United States"), Lorain County Metropolitan Park District, Browning-Ferris Industries of Ohio, Inc., Goodrich Corporation, Ford Motor Company, Motors Liquidation Company (formerly known as General Motors Corporation, hereinafter "General Motors" or "GM"), and Chevron Environmental Management Company, for itself and on behalf of Kewanee Industries, Inc., are parties to a Remedial Action Consent Decree entered by this Court on February 18, 2009 (hereinafter the "Original Consent Decree") and relating to the Ford Road Landfill CERCLA Site (also known as the Ford Road Landfill Site), located in Elyria, Lorain County Ohio, about 1.5 miles from Interchange 8 of the Ohio Turnpike Interstate 90; and

WHEREAS, Lorain County Metropolitan Park District, Browning-Ferris Industries of Ohio, Inc., Goodrich Corporation, Ford Motor Company, Motors Liquidation Company (formerly known as General Motors Corporation, hereinafter "General Motors" or "GM"), and Chevron Environmental Management Company, for itself and on behalf of Kewanee Industries, Inc. are "Settling Defendants" as defined under the Original Consent Decree; and

WHEREAS, concurrently with the execution of the Original Consent Decree, the Settling Defendants entered into a Participation Agreement which provided for the sharing of costs incurred by or on behalf of Settling Defendants at the Site pursuant to the Original Consent Decree; and

WHEREAS, on February 25, 2009, Westchester Fire Insurance Company (hereinafter "Westchester"), as Surety, and GM, as Principal, executed Performance Bond K08222976 (hereinafter the "Performance Bond") for the benefit of the United States Environmental Protection Agency (hereinafter "U.S. EPA"), as Beneficiary, in the amount of \$589,322 as

financial assurance for GM's performance of all work as defined under Section IV of the Original Consent Decree (hereinafter "Work"); and

WHEREAS, on June 1, 2009, GM filed for bankruptcy under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (hereinafter "Bankruptcy Court"); and

WHEREAS, on June 9, 2009, GM notified U.S. EPA that GM had filed for bankruptcy; and

WHEREAS, on June 12, 2009, GM notified other Settling Defendants that GM would not pay any outstanding or future Site assessments pursuant to the Participation Agreement relating to the Original Consent Decree; and

WHEREAS, on July 7, 2009, the Bankruptcy Court approved the sale of the majority of then GM's assets to a new entity to be named General Motors Company (hereinafter "New GM"); and

WHEREAS, while New GM agreed to assume certain liabilities of GM, such assumed liabilities did not include GM's liabilities at the Site; and

WHEREAS, since the date of GM's bankruptcy filing, Settling Defendants have paid and continue to pay all costs incurred pursuant to the Original Consent Decree, including the share of Site costs that GM agreed to pay under the Participation Agreement; and

WHEREAS, by letter dated June 16, 2010, U.S. EPA notified Westchester in accordance with Paragraph 3 of the Performance Bond that GM had failed to perform Work required under the Original Consent Decree; and

WHEREAS, Westchester responded to this notification by informing U.S. EPA that in accordance with Paragraph 3(a) of the Performance Bond, Westchester would complete and take

over GM's obligations under the Original Consent Decree, in accordance with the Performance Bond, up to a maximum expenditure of \$589,322; and

WHEREAS, all signatories to the Original Consent Decree, other than GM, desire to amend the Original Consent Decree so as to add Westchester as a signatory for the purpose of performing its obligations under the Performance Bond;

NOW, THEREFORE, the United States, Lorain County Metropolitan Park District, Browning-Ferris Industries of Ohio, Inc., Goodrich Corporation, Ford Motor Company, and Chevron Environmental Management Company, for itself and on behalf of Kewanee Industries, Inc. and Westchester hereby agree that, upon approval of this Amendment to Consent Decree (together with the Attachment hereto, hereinafter the "Amendment") by this Court, the Original Consent Decree shall be amended as follows:

2. Westchester is hereby added as a party to the Original Consent Decree. Any and all provisions in the Original Consent Decree pertaining to the rights and obligations of GM in performing, financing and completing the Work shall now apply with equal force and effect to Westchester.

3. Notwithstanding the previous paragraph, Westchester's liability under the Consent Decree and the Performance Bond is capped at \$589,322. When the Aggregate Amount Paid by Westchester for Work is equal to \$589,322, Westchester shall submit to U.S. EPA, with a courtesy copy to Settling Defendants, a request for termination under Section IV (Termination of Westchester's Obligations) of this Amendment.

4. Nothing in this Amendment is intended to modify or amend the Participation Agreement between Settling Defendants. The Participation Agreement is not part of the Consent Decree and is not binding upon the United States.

III. COMPLETION OF WORK

5. Westchester shall make, or cause the Trust to make, the payments set forth in Subsections A, B and C, below.

A. Catch-Up Payment

6. Within 30 Days after the Effective Date of this Amendment, Settling Defendants shall prepare and submit to Westchester an Itemized Cost Summary detailing the invoices that Settling Defendants have paid under the Original Consent Decree from June 1, 2009 until the Effective Date of this Amendment.

7. Concurrently with sending such Itemized Cost Summary to Westchester, Settling Defendants shall send a copy of the Itemized Cost Summary to U.S. EPA for its review and approval.

8. U.S. EPA shall approve, in whole or in part, or disapprove the Itemized Cost Summary within 30 Days of its receipt, and shall inform Settling Defendants and Westchester of its determination within the 30 Day period by providing notice in accordance with Section V (Notices and Submissions) of this Amendment.

9. Except as provided below in Section III.C (Accelerated Payment) of this Amendment, Westchester shall make, or cause the Trust to make, payment to Settling Defendants, no later than 15 Days from the date of its receipt of U.S. EPA's approval, of 50% of the cost amount approved by U.S. EPA, but in no event more than Westchester's Outstanding Liability under the Performance Bond at such time.

10. Under no circumstances shall Westchester make, or cause the Trust to make, a payment to Settling Defendants in advance of receiving U.S. EPA's notice of approval of all or a part of the above-referenced Itemized Cost Summary.

B. Monthly Payments

11. No later than 90 days after the Effective Date of the Amendment, Settling Defendants shall prepare and submit to Westchester an Itemized Cost Summary detailing the costs that Settling Defendants have incurred under the Original Consent Decree from the first Day after the Effective Date of the Amendment through the end on the first full month after the Effective Date of the Amendment.

12. After preparing and submitting the Itemized Cost Summary required under Paragraph 11, above, Settling Defendants shall thereafter, on a monthly basis, prepare and submit to Westchester an Itemized Cost Summary detailing the costs that Settling Defendants

have incurred under the Consent Decree for each subsequent month following the first full month after the Effective Date of the Amendment. Settling Defendants shall continue to prepare and submit such itemized cost summaries until U.S. EPA: (i) determines in accordance with Section IV (Termination of Westchester's Obligations) of this Amendment that the Aggregate Amount Paid by Westchester for Work equals \$589,322; (ii) exercises its right to Accelerate Payment under Section III.C (Accelerated Payment) of this Amendment; or (iii) certifies completion of the Work under Paragraph 50.b of the Original Consent Decree.

13. Concurrently with preparing and submitting an Itemized Cost Summary to Westchester under this Section III.B (Monthly Payments), Settling Defendants shall send a copy of such Itemized Cost Summary to U.S. EPA for its review and approval. Each Itemized Cost Summary shall also be accompanied by a statement, prepared by Settling Defendants, documenting the date and amount of each payment that it has received from Westchester or the Trust.

14. U.S. EPA shall approve, in whole or in part, or disapprove each Itemized Cost Summary within 30 Days of its receipt, and shall inform Settling Defendants and Westchester of its determination within the 30 Day period by providing notice in accordance with Section V (Notices and Submissions) of this Amendment.

15. Except as provided below in Section III.C (Accelerated Payment) of this Amendment, Westchester shall make, or cause the Trust to make, payment to Settling Defendants, no later than 15 Days from the date of its receipt of U.S. EPA's approval, of 50% of the cost amount approved by U.S. EPA, but in no event more than Westchester's Outstanding Liability under the Performance Bond at such time.

16. Under no circumstances shall Westchester make, or cause the Trust to make, a payment to Settling Defendants in advance of receiving U.S. EPA's notice of approval of all or a part of the Itemized Cost Summary relating to such payment.

C. Accelerated Payment

17. In the event that U.S. EPA takes over any Work pursuant to Paragraph 89 of the Original Consent Decree, U.S. EPA may issue a written demand for Westchester to make payment in an amount equal to Westchester's Outstanding Liability under the Performance Bond. U.S. EPA may issue such written demand to Westchester in accordance with the notice provision in Section V (Notices and Submissions) of this Amendment. Concurrently with providing such notice to Westchester, U.S. EPA shall also provide notice to Settling Defendants, in accordance with the notice provision in Section V (Notices and Submissions) of this Amendment.

18. Within 30 days of receiving U.S. EPA's written demand for accelerated payment under Paragraph 17, above, Westchester shall make, or cause the Trust to make, payment in such amounts and to such person(s), account(s), or otherwise as U.S. EPA may direct in its written demand or in any subsequent demand, up to the amount of Westchester's Outstanding Liability under the Performance Bond.

19. At any time Westchester may elect to pay an amount equal to Westchester's Outstanding Liability under the Performance Bond. In the event that Westchester elects to exercise its right under this Paragraph, Westchester shall make, or cause the Trust to make, such payment in such amounts and to such person(s), account(s), or otherwise as U.S. EPA may direct up to the amount of Westchester's Outstanding Liability under the Performance Bond. Upon making payment(s) under this Paragraph 19 or the preceding Paragraph 18 equal in amount to Westchester's Outstanding Liability under the Performance Bond, Westchester

shall submit to U.S. EPA, with a copy to Settling Defendants, a request for termination under Section IV (Termination of Westchester's Obligations) of this Amendment.

20. Obligations in the Event that U.S. EPA Elects to Accelerate Payment:

- a. Westchester shall not make, or cause the Trust to make, any payment to Settling Defendants after receiving written notice from U.S. EPA of its election to accelerate payment in accordance with this Section III.C (Accelerated Payment). This obligation shall apply even if U.S. EPA has previously approved all or part of an Itemized Cost Summary.
- b. After Westchester receives a written notice from U.S. EPA of its election to accelerate payment, Westchester shall, within one Business Day of receipt of such notice, send instructions to the Trustee directing it not to make any further payments to Settling Defendants from the Trust, including any payments that Westchester previously instructed the Trustee to pay to Settling Defendants.
- c. Notwithstanding subparagraph "a" and "b" of this Paragraph, any payment made by the Trust to Settling Defendants shall be deemed to have been "authorized" for the purposes of calculating the Aggregate Amount Paid by Westchester for Work where (i) the payment was made within 2 Business Days of U.S. EPA providing notice to Westchester of its election to accelerate payments in accordance with Paragraph 17 and (ii) the payment was mistakenly made despite Westchester's good faith efforts to comply with the requirements of subparagraphs "a" and "b" of this Paragraph.
- d. Settling Defendants shall return to the Trust any payment that it receives on or after the Day that U.S. EPA provides notice to Westchester of U.S. EPA's intent to accelerate payments under this Section. Upon return of the payment to the Trust, the payment amount shall not be included in the Aggregate Amount Paid by Westchester for Work.

D. Effect of Unauthorized Payment to Settling Defendants

21. In the event that Westchester makes, or causes the Trust to make, an unauthorized payment to Settling Defendants in violation of the procedures set forth in this Section III (Completion of Work) of the Amendment, such payment shall not be included in the Aggregate Amount Paid by Westchester for Work, nor shall it be applied against the \$589,322 cap in the Performance Bond, except when the conditions set forth in Paragraph 20.c are satisfied.

22. U.S. EPA may or may not ratify an unauthorized payment at its unreviewable discretion. In the event that U.S. EPA elects to ratify the unauthorized payment, the limitations set forth in the preceding Paragraph 21 shall not apply and the payment may be included in the Aggregate Amount Paid by Westchester for Work, as well as applied as reduction of the debt owed by Westchester under the Performance Bond.

IV. TERMINATION OF WESTCHESTER'S OBLIGATIONS

23. After the Aggregate Amount Paid by Westchester for Work equals \$589,322, Westchester shall submit to U.S. EPA, with a copy to Settling Defendants, a request for termination, stating that Westchester has satisfied its obligation under the Performance Bond and this Amendment, together with all necessary supporting documentation.

24. Following receipt by U.S. EPA of Westchester's request for termination, U.S. EPA and Westchester shall confer informally concerning the request and any disagreement that they may have as to whether Westchester has satisfactorily complied with the requirements for termination of this Consent Decree. If the U.S. EPA agrees that the Aggregate Amount Paid by Westchester for Work equals \$589,322, the United States shall submit a notice to the Court stating that Westchester's obligations under this Amendment and the Performance Bond are terminated.

V. NOTICES AND SUBMISSIONS

25. Section XXVI (Notices and Submissions) of the Original Consent Decree is hereby modified as set forth in Paragraph 26, below.

26. Whenever notice is required be given, or a document is required to be sent, under the terms of this Amendment, it shall be directed to the individuals at the email addresses specified below, unless such an individual or his or her successor gives notice of a change to the contact information set forth below. All notices and submissions shall be considered effective upon receipt, unless otherwise provided.

VI. TRUST TO BE ESTABLISHED BY WESTCHESTER

27. In fulfillment of its obligations under Section XIII of the Original Consent Decree (Performance Guarantee), Westchester shall establish a trust fund ("Trust") in the amount of \$589,322 within 30 days of the Effective Date of this Amendment. U.S. EPA shall be the sole beneficiary of the Trust, and Westchester shall assure that the Trust is unencumbered by any liens or claims of third parties. The Trust shall be memorialized by, and subject to, a trust agreement that is substantially in the same form as the trust agreement at Attachment A (as amended, supplemented or otherwise modified from time to time, subject to the approval of U.S. EPA, the "Trust Agreement").

28. Westchester shall always maintain a balance in the Trust that is, at all times, greater than or equal to the Westchester's Outstanding Liability under the Performance Bond. In the event that the balance in the Trust falls below Westchester's Outstanding Liability under the Performance Bond, Westchester shall promptly, upon becoming aware thereof, notify U.S. EPA of this fact and shall promptly deposit additional funding in the Trust to

cover any such shortfall. Any and all taxes and/or administrative expenses assessed or levied against or with respect to the Trust shall be paid from the Trust, but such payments shall not be included in the Aggregate Amount Paid by Westchester for Work, nor shall such payments reduce Westchester's Outstanding Liability under the Performance Bond. Westchester shall provide to U.S. EPA a biannual accounting of all payments made from the Trust, including payments to Settling Defendants for reimbursement for Work, payments of taxes levied against the Trust, payments of administrative expenses incurred by the Trust, and payment of interest, dividends or earnings to Westchester.

29. Except as provided in Section III.C (Accelerated Payment) of this Amendment, Westchester may use funds in the Trust to make payments to Settling Defendants authorized by U.S. EPA in accordance with the procedures in Section III.A (Catch-Up Payments) and Section III.B (Monthly Payments) of this Amendment. Accordingly, if U.S. EPA has approved of all or any portion of the cost amount in a Itemized Cost Summary prepared by Settling Defendants, Westchester may issue a payment instruction to the Trustee, directing the Trustee to make payment of the authorized amount from the Trust to Settling Defendants, although Westchester shall countermand that instruction in accordance with Paragraph 20.b. in the event that U.S. EPA provides notice of its intent to accelerate payment under Section III.C (Accelerated Payment) of this Amendment.

30. Upon written notice from U.S. EPA of its election to accelerate payment under Section III.C (Accelerated Payment) of this Amendment, Westchester may issue payment instructions to the Trustee directing the Trustee to make payment(s) of the authorized amount from the Trust to U.S. EPA in accordance with Paragraph 18.

31. Westchester may also instruct the Trustee to pay interest, dividends and earnings on the funds in the Trust to Westchester for its own account pursuant to the Trust Agreement on a biannual basis. No such payments shall be made to Westchester, however, where they would reduce the balance in Trust to an amount less than Westchester's Outstanding Liability under the Performance Bond. Not less than 30 Days prior to issuing an instruction to the Trustee directing it to make payments from the Trust to Westchester, Westchester shall submit to U.S. EPA an accounting of the Trust, as set forth in Paragraph 28, above. In the event that U.S. EPA objects to the payment of interest, dividends or earnings from the Trust to Westchester by providing notice in accordance with Section V (Notices and Submissions) of this Amendment, Westchester shall not instruct the Trustee to make any payments from the Trust to Westchester, unless Westchester can demonstrate that such payments will not reduce the balance in the Trust to an amount less than Westchester's Outstanding Liability under the Performance Bond.

VII. SAVINGS CLAUSE

32. Nothing in this Amendment modifies or amends the rights and obligations of the Parties under the Original Consent Decree.

VIII. LODGING AND OPPORTUNITY FOR PUBLIC COMMENT

33. **Lodging:** This Amendment shall be lodged with the Court for a period of not less than 30 Days for public notice and comment in accordance with Section 122(d)(2) of CERCLA, 42 U.S.C. § 9622(d)(2), and 28 C.F.R. § 50.7. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Amendment disclose facts or considerations which indicate that the Amendment is inappropriate, improper, or inadequate. The Settling Defendants and Westchester hereto consent to the entry of this Amendment without further notice.

34. **Agreement Voidable if Not Entered by the Court:** If for any reason the Court should decline to approve this Amendment in the form presented, this Amendment is voidable at the sole discretion of any party and, if voided, the terms of this Amendment may not be used as evidence in any litigation between the parties.

IX. EFFECTIVE DATE OF THIS AMENDMENT TO THE CONSENT DECREE

35. This Amendment shall be effective upon execution by the United States District Judge assigned to this matter as set forth below and upon entry on the docket of the U.S. District Court for Northern District of Ohio.

X. ORDER

Before the taking of any testimony, without adjudication of any issue of fact or law, and upon the consent and agreement of the Parties, it is:

ATTACHMENT A

TRUST AGREEMENT

Ford Road Landfill CERCLA Site

Dated: _____, _____

This Trust Agreement (the "Agreement") is entered into as of [date] by and between Westchester Fire Insurance Company ("Grantor"), a corporation organized and existing under the laws of the State of New York, and Wells Fargo Bank, National Association, a national banking association organized and existing under the laws of the United States of America, as trustee ("Trustee").

Whereas, Grantor is a party to a Remedial Action Consent Decree in the matter of United States of America v. Lorain County Metropolitan Park District, Browning-Ferris Industries of Ohio, Inc., Goodrich Corporation, Ford Motor Company, General Motors Corporation and Chevron Environmental Management Company, for itself and on behalf of Kewanee industries, Inc., entered on February 18, 2009 (hereinafter the "Consent Decree"), whereby the Settling Defendants agreed to perform the Work required by the Consent Decree, as subsequently amended ("the Amended Consent Decree") for the Ford Road Landfill CERCLA Site (also known as the Ford Road Landfill Site);

Whereas, the Amended Consent Decree provides that the Grantor shall provide assurance of its ability to complete the Work required under the Amended Consent Decree by establishing and maintaining a trust fund in the amount of \$589,322;

Whereas, in order to provide such financial assurance, Grantor has agreed to establish and fund the Trust created by this Agreement; and

Whereas, the Grantor, acting through its duly authorized officers, has selected the Trustee to be the trustee under this Agreement, and the Trustee has agreed to act as trustee hereunder.

Now, therefore, the Grantor and the Trustee agree as follows:

Section 1. Definitions. As used in this Agreement:

(a) The term "Amended Consent Decree" shall have the meaning assigned thereto in the recitals of this Agreement;

(b) "Beneficiary" shall have the meaning assigned thereto in Section 3 of this Agreement;

(c) The term "Business Day" means any day, other than a Saturday or a Sunday or a federal holiday, that banks are open for business in the State of Ohio, USA;

(d) The term "Fund" shall have the meaning assigned thereto in Section 3 of this Agreement;

(e) The term "Grantor" shall have the meaning assigned thereto in the first paragraph of this Agreement;

(f) The term "Objection Notice" shall have the meaning assigned thereto in Section 4(A)(3) of this Agreement;

(g) The term "Payment Certificate" and "Payment Instruction" shall have the meaning assigned thereto in Section 4(A)(2) and Section 4(A)(1) of this Agreement, respectively;

(h) The term "Site" shall have the meaning assigned thereto in Section 2 of this Agreement;

(i) The term "Trust" shall have the meaning assigned thereto in Section 3 of this Agreement;

(j) The term "Trustee" shall mean the trustee identified in the first paragraph of this Agreement, along with any successor trustee appointed pursuant to the terms of this Agreement, and

(k) The term "Work" shall have the meaning assigned thereto in the Amended Consent Decree.

Section 2. Identification of Facilities and Costs. This Agreement pertains to costs for Work required at the Ford Road Landfill CERCLA Site (also known as the Ford Road Landfill Site), located in Elyria, Lorain County Ohio, (the "Site"), pursuant to the Amended Consent Decree.

Section 3. Establishment of Trust Fund. The Grantor and the Trustee hereby establish a trust (the "Trust"), for the benefit of the United States Environmental Protection Agency, Region 5 ("U.S. EPA" or the "Beneficiary"), to assure that funds are available to pay for performance of the Work in the event that Grantor fails or is unable to conduct or complete the Work required by, and in accordance with the terms of, the Amended Consent Decree. No third party shall

have access to monies or other property in the Trust except as expressly provided herein. The Trust is established initially as consisting of funds in the amount of five hundred eighty nine thousand three hundred and twenty two U.S. Dollars (\$589,322). Such funds, along with any other monies and/or other property hereafter deposited into the Trust, and together with all earnings and profits thereon, are referred to herein collectively as the "Fund." The Fund shall be held by the Trustee, IN TRUST, as hereinafter provided. Notwithstanding that the Fund shall include earnings and profits, Grantor shall be entitled to withdraw any such earnings and profits or other amounts as provided in Section 6 of this Agreement. Although such earnings and profits may be paid from the Fund, these payments will not decrease the Grantor's Outstanding Liability. The Trustee shall not be responsible, nor shall it undertake any responsibility, for (i) the amount or adequacy of any payments necessary to discharge any liabilities of the Grantor owed to the United States under the Amended Consent Decree or (ii) the collection from the Grantor of any such payments.

Section 4. Payment for Work Required Under the Consent Decree. The Trustee shall make payments from the Fund in accordance with the following procedures.

A) Standard Payment Procedures

(1) The Grantor and/or its duly authorized representative may instruct the Trustee to make payment from the Fund for Work performed under the Amended Consent Decree by delivering to the Trustee, with a copy to U.S. EPA and to Settling Defendants as provided in Section 20, below, a written payment instruction ("Payment Instruction") identifying the payee, the amount of the payment, and any other information necessary to effectuate the payment.

(2) The Payment Instruction shall include a certificate ("Payment Certificate") signed by an officer of the Grantor (or its authorized representative) identifying the time period of the Work covered by the Payment Instruction and certifying that (i) the payment is for Work performed at the Site in accordance with the Amended Consent Decree, and (ii) the payment has been approved by U.S. EPA in accordance with the procedures set forth in the Amended Consent Decree;

(3) If the Trustee receives Payment Instruction, together with the Payment Certificate, and does not receive a written notice from the Grantor withdrawing or countermanding the Payment Instruction ("Objection Notice"), the Trustee shall make the payment from the Fund in accordance with the Payment Instruction. The Trust shall make such payment no later than five

Business Days after its receipt of the Payment Instruction and Payment Certificate.

(4) If the Trustee receives an Objection Notice from the Grantor, the Trustee shall not make any payment from the Fund until it receives a new or revised Payment Instruction, together with a new or revised Payment Certificate.

(5) All payments provided for in this section shall apply only to the Grantor's obligation for Work performed at the Site up to the maximum amount of \$589,322, and shall not include payments of taxes and administrative expenses incurred by the Trust.

B) Special Payment Procedures

(1) The Standard Payment Procedures in Section 4.A shall no longer apply in event that (a) Grantor files for bankruptcy protection, (b) Grantor receives notice that its creditor has filed a petition for involuntary bankruptcy or (iii) Grantor defaults on its obligations under the Amended Consent Decree (collectively "Triggering Event"). Grantor shall provide notice to U.S. EPA, to Settling Defendants and to the Trustee of such a Triggering Event within two business days of the Triggering Event occurring.

(2) Upon receipt of notice of a Triggering Event from either U.S. EPA or Grantor, the Trustee shall make no further payments from the Trust pursuant to any Payment Instruction from Grantor, regardless of whether the Payment Instruction was received before or after the Triggering Event. Instead, the Trustee shall pay funds up to the Total Dollar Amount in such amounts and to such person(s), account(s) or otherwise as U.S. EPA may direct. For the purposes of this subparagraph (b), the term "Total Dollar Amount" shall mean the difference between (i) \$589,322 and (ii) the total payments that Trustee has made from the Fund pursuant to the Standard Payment Procedures in Section 4.A.

Section 5. Trust Management. The Trustee shall invest and reinvest the principal and income of the Trust and keep the Trust invested as a single fund, without distinction between principal and income, in accordance with directions which the Grantor may communicate in writing to the Trustee from time to time. In investing, reinvesting, exchanging, selling, and managing the Fund, the Trustee shall discharge his duties with respect to the trust solely in the interest of the Beneficiary and with the care, skill prudence, and diligence under the circumstances then prevailing which persons of prudence, acting in a like capacity and familiar with such matters, would use in the conduct of an enterprise of a like character and with like aims, except that:

(a) securities, notes, and other obligations of any person or entity shall not be acquired or held by the Trustee with monies comprising the Fund, unless they are securities, notes, or other obligations of the U.S. federal government or any U.S. state government or as otherwise permitted in writing by the U.S. EPA;

(b) the Trustee is authorized to invest the Fund in time or demand deposits of the Trustee, to the extent such deposits are insured by an agency of the U.S. federal or any U.S. state government; and

(c) the Trustee is authorized to hold cash awaiting investment or distribution uninvested for a reasonable time and without liability for the payment of interest thereon.

Section 6. Dividends Interest and Premiums. Notwithstanding any limitation herein, including Section 4, above, the Grantor shall have the absolute right to receive all profits from trades and all cash dividends, earnings, interest and premiums declared and/or paid on or in respect of the Fund on a biannual basis upon written request therefore by the Grantor, made no earlier than thirty (30) days following each biannual valuation provided in Section 10 hereof to the Grantor and the Beneficiary, provided that, after giving effect to such withdrawal, the market value of the Fund, as reasonably determined by the Trustee, shall not be less than the Grantor's Outstanding Liability under the Amended Consent Decree entered in United States of America v. Lorain County Metropolitan Park District, Browning-Ferris Industries of Ohio, Inc., Goodrich Corporation, Ford Motor Company, General Motors Corporation and Chevron Environmental Management Company, for itself and on behalf of Kewanee Industries, Inc. As used herein, the term Outstanding Liability shall mean an amount equal to the difference between (a) \$589,322 and (b) an amount equal to the aggregate amount of all payments theretofore made by the Trustee pursuant to Section 4 hereof.

Section 7. Commingling and Investment. The Trustee is expressly authorized in its discretion to transfer from time to time any or all of the assets of the Fund to any common, commingled, or collective trust fund created by the Trustee in which the Fund is eligible to participate, subject to all of the provisions hereof and thereof, to be commingled with the assets of other trusts participating therein.

Section 8. Express Powers of Trustee. Without in any way limiting the powers and discretion conferred upon the Trustee by the other provisions of this Agreement or by law, the Trustee is expressly authorized and empowered:

(a) to make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;

(b) to register any securities held in the Fund in its own name or in the name of a nominee and to hold any security in bearer form or in book entry; or to combine certificates representing such securities with certificates of the same issue held by the Trustee in other fiduciary capacities; or to deposit or arrange for the deposit of such securities in a qualified central depository even though, when so deposited, such securities may be merged and held in bulk in the name of the nominee of such depository with other securities deposited therein by another person; or to deposit or arrange for the deposit of any securities issued by the U.S. federal government or any U.S. state government, or any agency or instrumentality thereof, with a Federal Reserve bank, provided that the books and records of the Trustee shall at all times show that all such securities are part of the Fund; and

(c) to deposit any cash in the Fund in interest-bearing accounts maintained or savings certificates issued by the Trustee, in its separate corporate capacity, or in any other banking institution affiliated with the Trustee, to the extent insured by an agency of the U.S. federal government.

Section 9. Taxes and Expenses. All taxes, expenses and charges of any kind that may be assessed or levied against or in respect of the Trust shall be paid from the Trust. Although such taxes, expenses and charges may be paid from the Trust, these deductions will not reduce the Grantor's Outstanding Liability, as defined in Section 6, above.

Section 10. Semi-Annual Valuation. The Trustee shall, starting no more than six months after the anniversary date of the establishment of the Trust, and every six months thereafter, furnish to the Grantor and to the Beneficiary a statement confirming the value of the Trust. Any securities in the Trust shall be valued at market value as of no more than 60 days prior to the date of each such statement. The semi-annual valuation shall include an accounting of any fees, expenses and taxes levied against the Fund. The Trustee shall also provide such information concerning the Fund and this Trust as U.S. EPA may request.

Section 11. Advice of Counsel. The Trustee may from time to time consult with counsel with respect to any question arising as to the construction of this Agreement or any action to be taken hereunder; provided, however, that any counsel retained by the Trustee for such purposes may not, during the period of its representation of the Trustee, serve as counsel to the Grantor.

Section 12. Trustee Compensation. The Trustee shall be entitled to reasonable compensation for its services as agreed upon in writing with the Grantor and as notified in writing to the Beneficiary and shall be paid out of the Fund, but shall not reduce the Outstanding Liability of the Grantor, as defined in Section 6, above.

Section 13. Trustee and Successor Trustee. The Trustee and any replacement trustee must be approved in writing by U.S. EPA and must not be affiliated with the Grantor. The Trustee may resign or the Grantor may replace the Trustee, but such resignation or replacement shall not be effective until the Grantor has appointed a successor trustee approved in writing by U.S. EPA and this successor accepts such appointment. The successor trustee shall have the same powers and duties as those conferred upon the Trustee hereunder. Upon the successor trustee's acceptance of the appointment, the Trustee shall assign, transfer, and pay over to the successor trustee the funds and properties then constituting the Trust. If for any reason the Grantor cannot or does not act in the event of the resignation of the Trustee, the Trustee may apply to U.S. EPA or a court of competent jurisdiction for the appointment of a successor trustee or for instructions. The successor trustee shall specify the date on which it assumes administration of the Fund and the Trust in a writing sent to the Grantor, the Beneficiary, and the present Trustee by certified mail no less than 10 days before such change becomes effective. Any expenses incurred by the Trustee as a result of any of the acts contemplated by this Section shall be paid by the Grantor.

Section 14. Instructions to the Trustee. All instructions to the Trustee shall be in writing, signed by such persons as are empowered to act on behalf of the entity giving such instructions. The Trustee shall be fully protected in acting without inquiry on such written instructions given in accordance with the terms of this Agreement. The Trustee shall have no duty to act in the absence of such written instructions, except as expressly provided for herein.

Section 15. Amendment of Agreement. This Agreement may be amended only by an instrument in writing executed by the Grantor and the Trustee, and with the prior written consent of U.S. EPA.

Section 16. Irrevocability and Termination. This Trust shall be irrevocable and shall continue until terminated upon the earlier to occur of (a) U.S. EPA's certification of the completion of Work under Paragraph 50.b (Completion of Work) of the Consent Decree or (b) the termination of Grantor's obligations pursuant to Section IV (Termination of Westchester Obligations) of the Amended Consent Decree.

Section 17. Immunity and Indemnification. The Trustee shall not incur personal liability of any nature in connection with any act or omission, made in good faith, in the administration of this Trust, or in carrying out any directions by the Grantor or the U.S. EPA issued in accordance with this Agreement. The Trustee shall be indemnified and held harmless by the Grantor from and against any personal liability to which the Trustee may be subjected by reason of any act or conduct made by the Trustee in its official capacity, including all expenses reasonably incurred in its defense in the event the Grantor fails to provide such defense.

Section 18. Choice of Law. This Agreement shall be administered, construed, and enforced according to the laws of the State of Ohio.

Section 19. Interpretation. As used in this Agreement, words in the singular include the plural and words in the plural include the singular. The descriptive headings for each Section of this Agreement shall not affect the interpretation or the legal efficacy of this Agreement.
